Devotionals

Main Point:

Jesus' resurrection is a life-changing event.

Passage:

Matthew 28

Questions to ask your Students:

- Why is the resurrection central to our faith?
- How does the resurrection of Jesus move you to worship Him?
- In what ways should the empty tomb change the way we live?

Family Ideas

Learn Something New:

Take a night and devote time to learning about something you know nothing about.

Go Camping: Build a fort in your living room and grill out! Build a fire in the backyard and make S'mores.

Do a Virtual Race:

There are tons online right now so just Google it. Sign up for and run/walk a virtual race. Then wait for your medal to come in the mail.

Weekly Challenge

Quarantine Sport:

Since there are no sports being played right now, why not make up your own?

Make a short video explaining what the sport is and how you play it.

Once you are done, post it on social media and tag us.

Remember, there is a prize involved so make sure you post yours BY WEDNESDAY!

Healthy Habits

Declutter:

Turn off the screens and gaming systems, stand up, and take 30 minutes to organize something.

Do something you're bad at:

We can all get better at something. Spend 30 minutes practicing what you choose.

Make your bed: Do this every day this week! How creative can you be?

**Take a pic or video of you doing your habit, post, and tag our Student account*
