Is confidential financial assistance available?

Yes, partial scholarships are available and are based on need. All scholarships are confidential. Contact the Prestonwood Students Office if you have any questions. Payment plans are also available upon request.

Will there be adult supervision in every condo?

Yes. Safety and security are our chief concerns. We will have at least one adult leader in every condo unit.

If I invite a friend to come to camp who doesn't usually come to Prestonwood, will he or she be able to stay with me at camp?

Absolutely! We will always guarantee that your same-gender/grade non-Prestonwood friends will be in the same condo as you at camp.

Will students be available to roam freely at any time during Beach Camp or will they be in a supervised environment?

Students will have adult supervision at all times during Beach Camp. Students will be escorted by their adult leader to and from their condos as well as the beach. Also, no students will be allowed to remain in the condos during free time.

What if my student has a food allergy?

All food allergies and medical conditions need to be documented in online registration and reported to the Camp Nurses through an online form that will be made available in May. Certain food allergies can be accommodated at Beach Camp. Please contact the Prestonwood Students Office for more information.

What do I do with my student's medication?

All medication **MUST** be turned in to the nurses prior to leaving for Beach Camp. An online form will be made available in May for you to add detailed instructions to turn in with the medication. We will discuss this in further detail at the parent meetings.

Can my child bring electronic devices such as a cell phone, tablet or laptop?

Students may bring their cell phone or tablet to Beach Camp at their own risk. Laptops are not allowed. We will discuss in further detail at the parent meetings.
