

Use the following thoughts and questions to have a spiritual conversation as a family. Don't emphasize having the right answer, but focus on spending time discussing the Word as a family.

Scripture

Luke 19:35-46

Session Summary

Jesus not only received worship as God, He also claimed to be God when He said His visit to Jerusalem was God visiting (v. 44). God in the flesh rode up to the city on a humble donkey and He wept, not for Himself and the brutal treatment He would soon receive but for the consequences that would later befall the city because of their rejection of Him. Not only is Jesus the God who receives worship from His people but He is also the God who weeps for His people.

Conversation Questions

- What are the most common ways we worship God?
- What does it look like for us to worship things other than God?
- Why does the Lord demand us to worship Him alone?
- How can our worship of God draw others closer to Him?

Family Challenge

In the space below, write down every reason that God is worthy of your family's praise. For example, you can write "God is faithful" or "God always provides." Hang this paper somewhere everyone will see it throughout the week to serve as a reminder to worship God no matter what you're doing.
