

Use the following thoughts and questions to have a spiritual conversation as a family. Don't emphasize having the right answer, but focus on spending time discussing the Word as a family.

## Scripture

2 Peter 1:3-11

## Session Summary

The apostle Peter described how God works powerfully in His people, not only for salvation, but also to empower us to live godly lives that glorify Him. We access this power through our knowledge of Jesus. As we grow through spiritual maturity and experience His glory and goodness through Scripture, God opens our minds to understand who He is, and how He is at work in and through us. We can have incredible confidence in God—He not only saves His people but also generously supplies us with everything we need to live for Him.

## Conversation Questions

- If our power comes through the knowledge of Jesus, how do we grow in our knowledge of Him?
- How are we spending time in Scripture as a family? Why should we make it a priority?
- What is one thing God has shown us through His Word this year?
- Why do we need to rely upon the Holy Spirit when we read God's Word?

## Family Challenge

Create a strategy for weekly family time in God's Word. This needs to be a sustainable plan, but be as creative as possible. Maybe switch up who leads each time or pick a new location every week! Let everyone give input on how it should be done, but the biggest challenge is to actually prioritize and read Scripture weekly.
